Sultry siren

Jamie Huxley's a real -- dare I say it -- a real fox, and I would love to do her doggy-style -- woof! I love her perfect breasts and shaved pussy. A pussy I could lose myself in for hours. Like licking it and sticking my tongue in it as far as I could and then wiggle it around in there until I sipped up all her pussy juice. I love the taste of a woman. Getting her ready for my eight inch cock, I'd use my fingers just long enough to get her real excited by fingering her g-spot. Then, when the time was right, I'd shove my cock in so far that I'd cut off her air flow. Not really, I'd just put it in as far as I could and then beg her on my knees to fuck her ass.

— Joel, Georgia

Modern MILF

I know it's been a few months since I saw Austin Kincaid grace your pages. But in those months, I've been dreaming about her and how she handled that huge cock in the pics. Her boobs are perfect and she sure knows how to use them. I like a woman with a little experience and she's just the right type. Brunette, tight body, bedroom eyes and a mouth that will swallow a cock in one blow. I bet she's the type that will stay in the adult business in some capacity. I'd watch whatever movie she starred in or even directed, she's that good.

A woman for all seasons

I'm writing you guys because I just saw a layout with Dana Vespoli and she was spectacular. But I thought she exited the biz a few years ago? Up until your layout, I hadn't seen her in anything new, except the movies I have with her and the ones I don't have, I check out on the internet. Do you know if she'll be doing any more shoots or videos? Do you know if she is still living in Los Angeles. Whatever information you could share with me about this fabulous woman, I'd gladly take. BTW, my girlfriend likes her even more than I do!

Please write back.

—Andrew and Patti, Nevada

Dear Andrew,

As you are probably aware, but choose to ignore, we cannot and will not divulge any personal or pertinent information about any performer or anyone else associated with us. But we can tell you this,; after a short hiatus from the business Dana has returned, this time as a director. While she says she is still performing here and there, her passion is now behind the camera. —Ed

Can't get enough Eva

Of all the girls I've seen cum and go in the adult business over the last ten years, I'm so glad Eva Angelina has stuck around. Beside having a great sexual appetite and understanding the role of adult performer, she seems to have adapted well to the changes as well as the turn-over in performers over the years. My only complaint, if there ever could be one about her, is the phase that she went through with the buzzed haircut. It still looks nice on her, but oh, those long lovely lengths of hair are really fine and such a turn on.

No matter, her fucking guys or girls is such a turn on. She has no ego and just goes in there and does her best. I especially like her in small orgy scenes of four to six people, To see her suck cock and get fucked by different dudes while she's eating pussy -- what more do you want from a beautiful woman, except for her to be in your warm bed.

—Bugsy, Vermont

Shaken and stirred

Man am I glad that there are still magazine's like yours still out there. All this internet porn stuff is for the birds, and all those youngsters that probably haven't open up a mag or even a book in their entire lives. So to see a creature like Jezebel Bond show up in your pages is a thrill. I like brunettes much more than blondes. I find them more exotic looking and much sexier. Ms. Bond is just that type. With a bit more of a tan, she could easily be a South Pacific princess just by adding a couple flowers to her long flowing hair.

When I picked up your mag and took it home, I wasted no time in pulling out my dick and stroking off to her photos. I think it was only a few minutes before I came and don't think I blinked once as I turned the pages. I cut out the pages with her on them and likes her in my 'A' folder of top notch girls that I like. There aren't that many compared to my 'B' and 'C' folders which are now pretty full, and without a single blonde. — *Brandon, Texas*

Amazing Asian fox

I'm writing to let you know how much I liked seeing Lily Thai getting screwed in your issue. What a spitfire of a sexual performer she is. I'll refrain from calling her slutty names, but if it works, then why not. The way she devoured cock and ate pussy is a sight for horny eyes. She seems like she's always running on a full tank because she never stops. Even when all she has to do is lay back and get fucked, she revs up her motor and takes as much as she gives.

I once had a girlfriend like that. Tanya, she even looked like Lily, right down to her beautiful perky breasts. She was an operating room nurse and was she ever hyper-active in the sack. She would start it all with a two hour blow job. My dick would be so sore afterwards that I could hardly perform. Then when she was finished sucking, she would lay back on the bed and spread her legs and start rubbing her pussy right in front of me. From pussy to mouth, she would suck it and lick it, and then demand that I do it, too. And I did. — *Steve, Ohio*

The boss' car was very dirty so he enlisted our two interns to wash it for him. There was a hundred dollars each in it for them. As the afternoon wore on, the clothes they wore came off. Wet slithering bodies that couldn't care less about the car, soon found themselves in happy playtime with the hose, buckets and their tongues. It didn't take long before the hundred dollars (each) was ignored as attention was given to pussies and boobies for the sake of pleasure. Unknown to them, the boss was taking pictures and making movies. They got their hundred – each.

.....

Percy and Sheila lived next door to us. We became good friends with them over the past five years. Sheila is like a little doll with large, firm boobs and a fine, tight ass guys dream about. As if that weren't enough, she has incredibly pouty lips framed by a flawlessly smooth and pretty face. But the best thing about her is her willingness to flirt. That always makes us men feel good. The bad thing is, she gets me all riled up and I can never do anything about it, I think. At their infamous pool parties I have the opportunity to admire her luscious assets. Sheila enjoyed the attention and flirtatious comments that the man would make, because she would flirt right back.

It seemed like her husband didn't mind. As a matter of fact he would usually just make a short appearance at the pool parties, go over and give his wife a kiss, slap her butt and head back into the house. My wife would rarely come over also. She usually spent the day on the phone with her girlfriends, or looking through her social media sites. Last Saturday at an evening pool party for just a few neighbors, Sheila came over and sat on my lap in her new string bikini. The feeling of her tight ass cheeks on my thighs made me pretty horny. She had a few drinks and was feeling kind of frisky but I was a complete gentleman. However, that night my wife got the best of it. She got a nice long hard

fuck from me like I was ten years younger. I know it was a release the excitement from the thoughts of Sheila on my lap.

A few weeks later as I was working at home, Sheila came to the back door with a bottle of wine. She said she noticed my car in the driveway and thought I might like to have lunch with her. It was a hot summer day and she had on a short tight fitting sundress. I gladly invited her in. We sat the kitchen table and washed down a light snack with a couple glasses of her wine. Sheila mentioned that Percy traveled a lot on business and she was often bored and hated just sitting around the house. She also knew that my wife was in Orlando visiting her mom. They often spoke over the backyard fence.

I was listening but mostly I just enjoyed watching her walk to the counter and back to refill her glass. Her short dress clung to that firm waist. Her bare thighs look great below the hem. I realize she didn't have on a bra, and begin sneaking peeks at her protruding nipples. The more I peeked, the more my dick began to swell up the site of this sweet little piece of neighborly ass. After more small talk, I was so horny that I decided to better make a move.

I looked at her and said, "Sheila, I appreciate you having lunch with me but I need to get back to work, since you were nice enough to bring dessert." I could tell she knew exactly what I meant.

She laughed nervously and said, "Some desserts

are way too fattening."

"The dessert I have in mind isn't," I said.

She laughed again, "You're a naughty boy, but I should let you go back to your work."

She walked towards the back door, but suddenly looked back at me and with a smile headed back through the kitchen and past me. As I turned to watch her, she headed up the stairs towards the bedrooms. I quickly followed not sure what she was up to. I froze in the doorway of my bedroom as Sheila, untying her shoulder straps and letting her dress fall to the floor. Her naked body was even better than I had imagined: full, round breasts, pink nipples, flat stomach, and the type around ass I had silently admired at all her pool parties. She turned around saying, "Do you still want dessert?"

I took the few steps over to her standing by the bed. The bed my wife and I have shared, with no one else. Well, a bed is just a bed, I justified to myself. "That feels nice." Sheila said as I gently squeezed the enormous mound of breast, finding her nipple becoming aroused. "I like that." she hoarsely rasped.

I gently kissed her on the lips and took her hand and put it on my growing bulge. I lowered my hand pressing one finger into her sopping wet hole. I took off my shirt and pulled her against me, crushing her lips with mine in a passionate kiss that left both of us breathless. My hands were playing with her boobs and pussy, turning her on even more than she already was. She responded by grinding her hotness and wetness against my bulge, getting the front of my zipper wet.

She broke our embrace and pushed me onto the bed. She undid my belt, unzipped my pants, removed my shoes and socks, and pulled my pants off, watching my stiffie leap up. She leaned over my body and pushed her boobs in my face while she handled my cock, teasing the head with her hot pussy lips. She then slowly moved down my body, kissing and licking her way down to her fully erect prize.

Sheila knew it would taste terrific in her mouth. She gently licked it, kissed it, and drew it into her

THE MAN CAVE

waiting mouth. She took my entire length into her mouth, and down her throat, right to the base of my cock. She fucked my cock with her mouth for a good five minutes, always stopping me from cumming. She popped it out and said, "That did taste good, now I can't wait to fuck it."

Then Sheila sat back, giving me a flash of her glistening kitty. She got up on her knees, straddled my cock and impaled herself on it, taking it all the way into her pussy in one stroke. She then began to fuck me like her life depended on it. She went faster and faster, forcing me deeper and deeper into her hole. She leaned over my face so her full breasts could swing in my face. "Pinch my nipples," she cried, trying to cum. "Pinch them now!"

I pinched her nips, and that got her even closer to exploding on my cock. "Again!! Harder!! Bite harder!!!" she screamed. I did, and soon she was screaming in ecstasy. Sheila creamed all over my cock and the sheets. She did, however, pull off me before I could jet my own cream in her pussy.

I cried out, "I need to cum too, baby!" Sheila responded by turning away from me and spreading her ass cheeks. "Put it in there," she said.

And once she was on her hands and knees with her tight heart-shaped ass in the air, I worked my way

into her doggy-style. Her pussy was as tight as I had imagined. Sheila groaned and started talking dirty. She said that my cock was much bigger than her husband that she loved being fucked by a big cock like mine. Her hot talk made me so excited that I began pumping faster and faster holding onto her beautiful ass as she pumped back against me. We both were loving it, our body slapping together with each stroke. Soon I felt my load about to cum, and I began pumping even faster than before.

Sheila could tell I was finally cumming. She reached around and grabbed my balls with her fingers. It was too much for me and I shot my load into her ass. As I came she pushed against me, moaning softly, grinding her ass against my groin.

I pulled out, limp and spent, and collapsed on top of my little Sheila. I whispered in her ear, "baby, I've been wanting to do this for a very long time, but I never thought you'd let me in your ass."

She smiled and whispered back into the pillow that she hadn't been fucked in almost a year. Percy was going through an identity crisis and the taste of pussy was now a turn off. She rolled over onto her back and put a finger to my lips, "Not another word." she said, and pulled me on top of her and started to kiss me again.

NIKKI RHODES

It was suppose to say

"Fuck me like you mean it." but the t-shirt shop got it wrong. When I got it, I wanted to return it, but my man said to keep it because that's an even harder fuck. And I like hard fucks. My red hair says it all, get a cock in front of me and it's on. Then it's in and then it spurts out what I've worked hard for. Let yourself go, inside of me!

GEN AND DYLAN

Two on a bed.

There are days when 'double your pleasure' means just that, and today is one of those days. Love buddies Gen and Dylan are getting together in front of the lens for a run through of a scene they'll be doing another day or two. The test started rather tame with just some girl kissing and giggling, but that soon led to deep tongue probing and clothes coming off. Blondie Dylan seem to be taking the initiative before Gen got it in gear and took over. There was an awful lot to do before the toys came out.

Gen: I'm horny

already and we haven't even begun. I love fucking Dylan, She's so receptive to everything and that's a big turn on. She's one of my favorite girls to play with. I even remember the first time the two of us got together. It was on a naughty America shoot and while I was a little more experienced, Dylan brought a lot of energy and excitement to fuck that I've rarely seen in this business. That first time we were outside by a pool and I remember her eating my pussy for such a long time that her back got sunburned.

No, she didn't

bring up the pussy-eating sunburn again! Well it is funny – now, but back then I couldn't work the rest of the day and the producer didn't want to pay me, but the rest of the cast got together and convinced him it wasn't my fault. The director told me to keep eating her because I was doing it so good. In reality that was only the second pussy I had ever eaten. The first was two weeks before on one of my first movies. I put down that I'd do lesbian scenes on my profile at my agent's office. Now I had to do it.

I'm ready to go

so can someone please go find Dylan. So while they're looking for her let me tell you one more Dylan story. About two months ago we were shooting for this internet guy who only shoots scenes, no movies. We went to his place in the Marina and found out all he wanted to do was have us kiss. At least on camera. While we were kissing, she slipped her hand down into my panties. She rubbed my clit and fingered my pussy, so of course the kissing got more passionate. He paid well and we left.

Let's get it on

because I can't wait to get fucked by this bitch. Gen, my pussy's already wet so get that tongue over here and start licking. I'm gonna grab some toys for when you're done. Did I mention that my pussy's wet? Then I'm gonna spread your legs and return the favor. I can't wait to taste you so I hope you're ready. I know you want me on my knees so get over here while I spread my ass cheeks for you. Cum lick me and I'll lather up the strap-on because I can't wait to get fucked by you. Let's do it, baby doll.

INTERVIEW

FOXY
LADY

ARIANA FOX

has something to say and since we have two ears, we'll listen. Although we found it hard to concentrate on what she was saying because her captivating lips and oozing sexuality were a major distraction.

Sitting in a tall director's chair in the make up room is tiny Ariana Fox. Her feet barely reach the foot rest, but she's all smiles as the make up artist leaves so we can have some alone time with her before her scene. Dark, exotic, with a killer smile and sultry bedroom eyes, this is going to be a very pleasurable twenty minutes. Early research shows that this little vixen started in adult just a few years ago and has made just over three dozen movies. She loves to dance both at strip clubs and night clubs. From Vegas to Miami, she's on the road more than she realizes, but that's great for her fans. I think by the end of this interview, we're going to be big fans too. After settling in, the barrage of questions begin.

US: Let's start with the most basic question: How did you decide to get into this business.

FOX: When I was younger, I found some dvds in my parents bedroom. I thought one was going to be my brother's college graduation, but it turned out to be a pleasure hunt. I put it in the player and watched it, getting so excited. I started masturbating to the on-screen sex, had secret screenings every day and haven't stopped since. It was also the first time I saw lesbians in action and found it as arousing as watching a guy fuck a girl.

ARIANA FOX

When I turned 18, I decided I would let my boyfriend fuck me, after all he had been waiting for over a year. He was a musician and always horny, but patient. I went with him to a gig at a club in LA and started talking to another band member's girlfriend who said she had just quit the adult business to be with her guy. So we talked at length about it, gave me some names and within a couple weeks, I called one of them and... here we are now.

US: After you called that someone, did you start making videos or doing scenes?

FOX: No, it was actually the manager of a strip club in Las Vegas. So when my man has a gig there a few weeks later, I convinced him to go to the club without saying I had called anyone, and bought him a couple lap dances. He loved it. It was his first strip club, mine too. So as he got the lap dance, I watched what the girl did, as well as watching the other girls. I knew I danced better than most of them. Plus, I watched them roll in the dollars, and that was pretty exciting, too.

US: But most of those girls have large, often fake, boobs. Did that make you hesitate?

FOX: Yeah, it actually did. I called the manager after we got back to LA and expressed that concern directly. He was very nice and quite professional telling me that all types are welcome to dance and over time, I'd get my own clientele that liked my boobs. But I'd also find that men liked butts more than boobs, and if I could shake mine, I'd do fine. So I thought about it for a few months and consulted with my boyfriend and he was okay with it. We hit a few strip clubs in LA just to be sure and I decided I would start in Vegas. Two weeks later I was on stage. The nerves passed after a few minutes, but it took me a few weeks before I felt comfortable working the floor and doing lap dances. That was pretty close range and personal.

What those lap dances did for me was make me comfortable being so close, literally on top of, a man that wasn't my man, and I was naked doing it.

ARIANA FOX

From there it was pretty quick getting into adult and fortunately my man was okay with that, but only if I did girls and no guys. I said that was okay by me and a week later I was licking a strange girl's pussy and she was licking mine. I'm sorry, I was so nervous, I never got her name straight, but it was great.

US: Now that we've established that sex with women was rather appealing, let's fast-forward.

FOX: My first woman before the videos was a dancer. I worked with her in Miami. (Ariana giggles, betraying just a hint of embarrassment with the memory) I must've seemed selfish because I didn't go down on her. It's not that I didn't want to eat pussy, I didn't think I knew how. I know now it's hard to believe but I did have fears of oral insecurity.

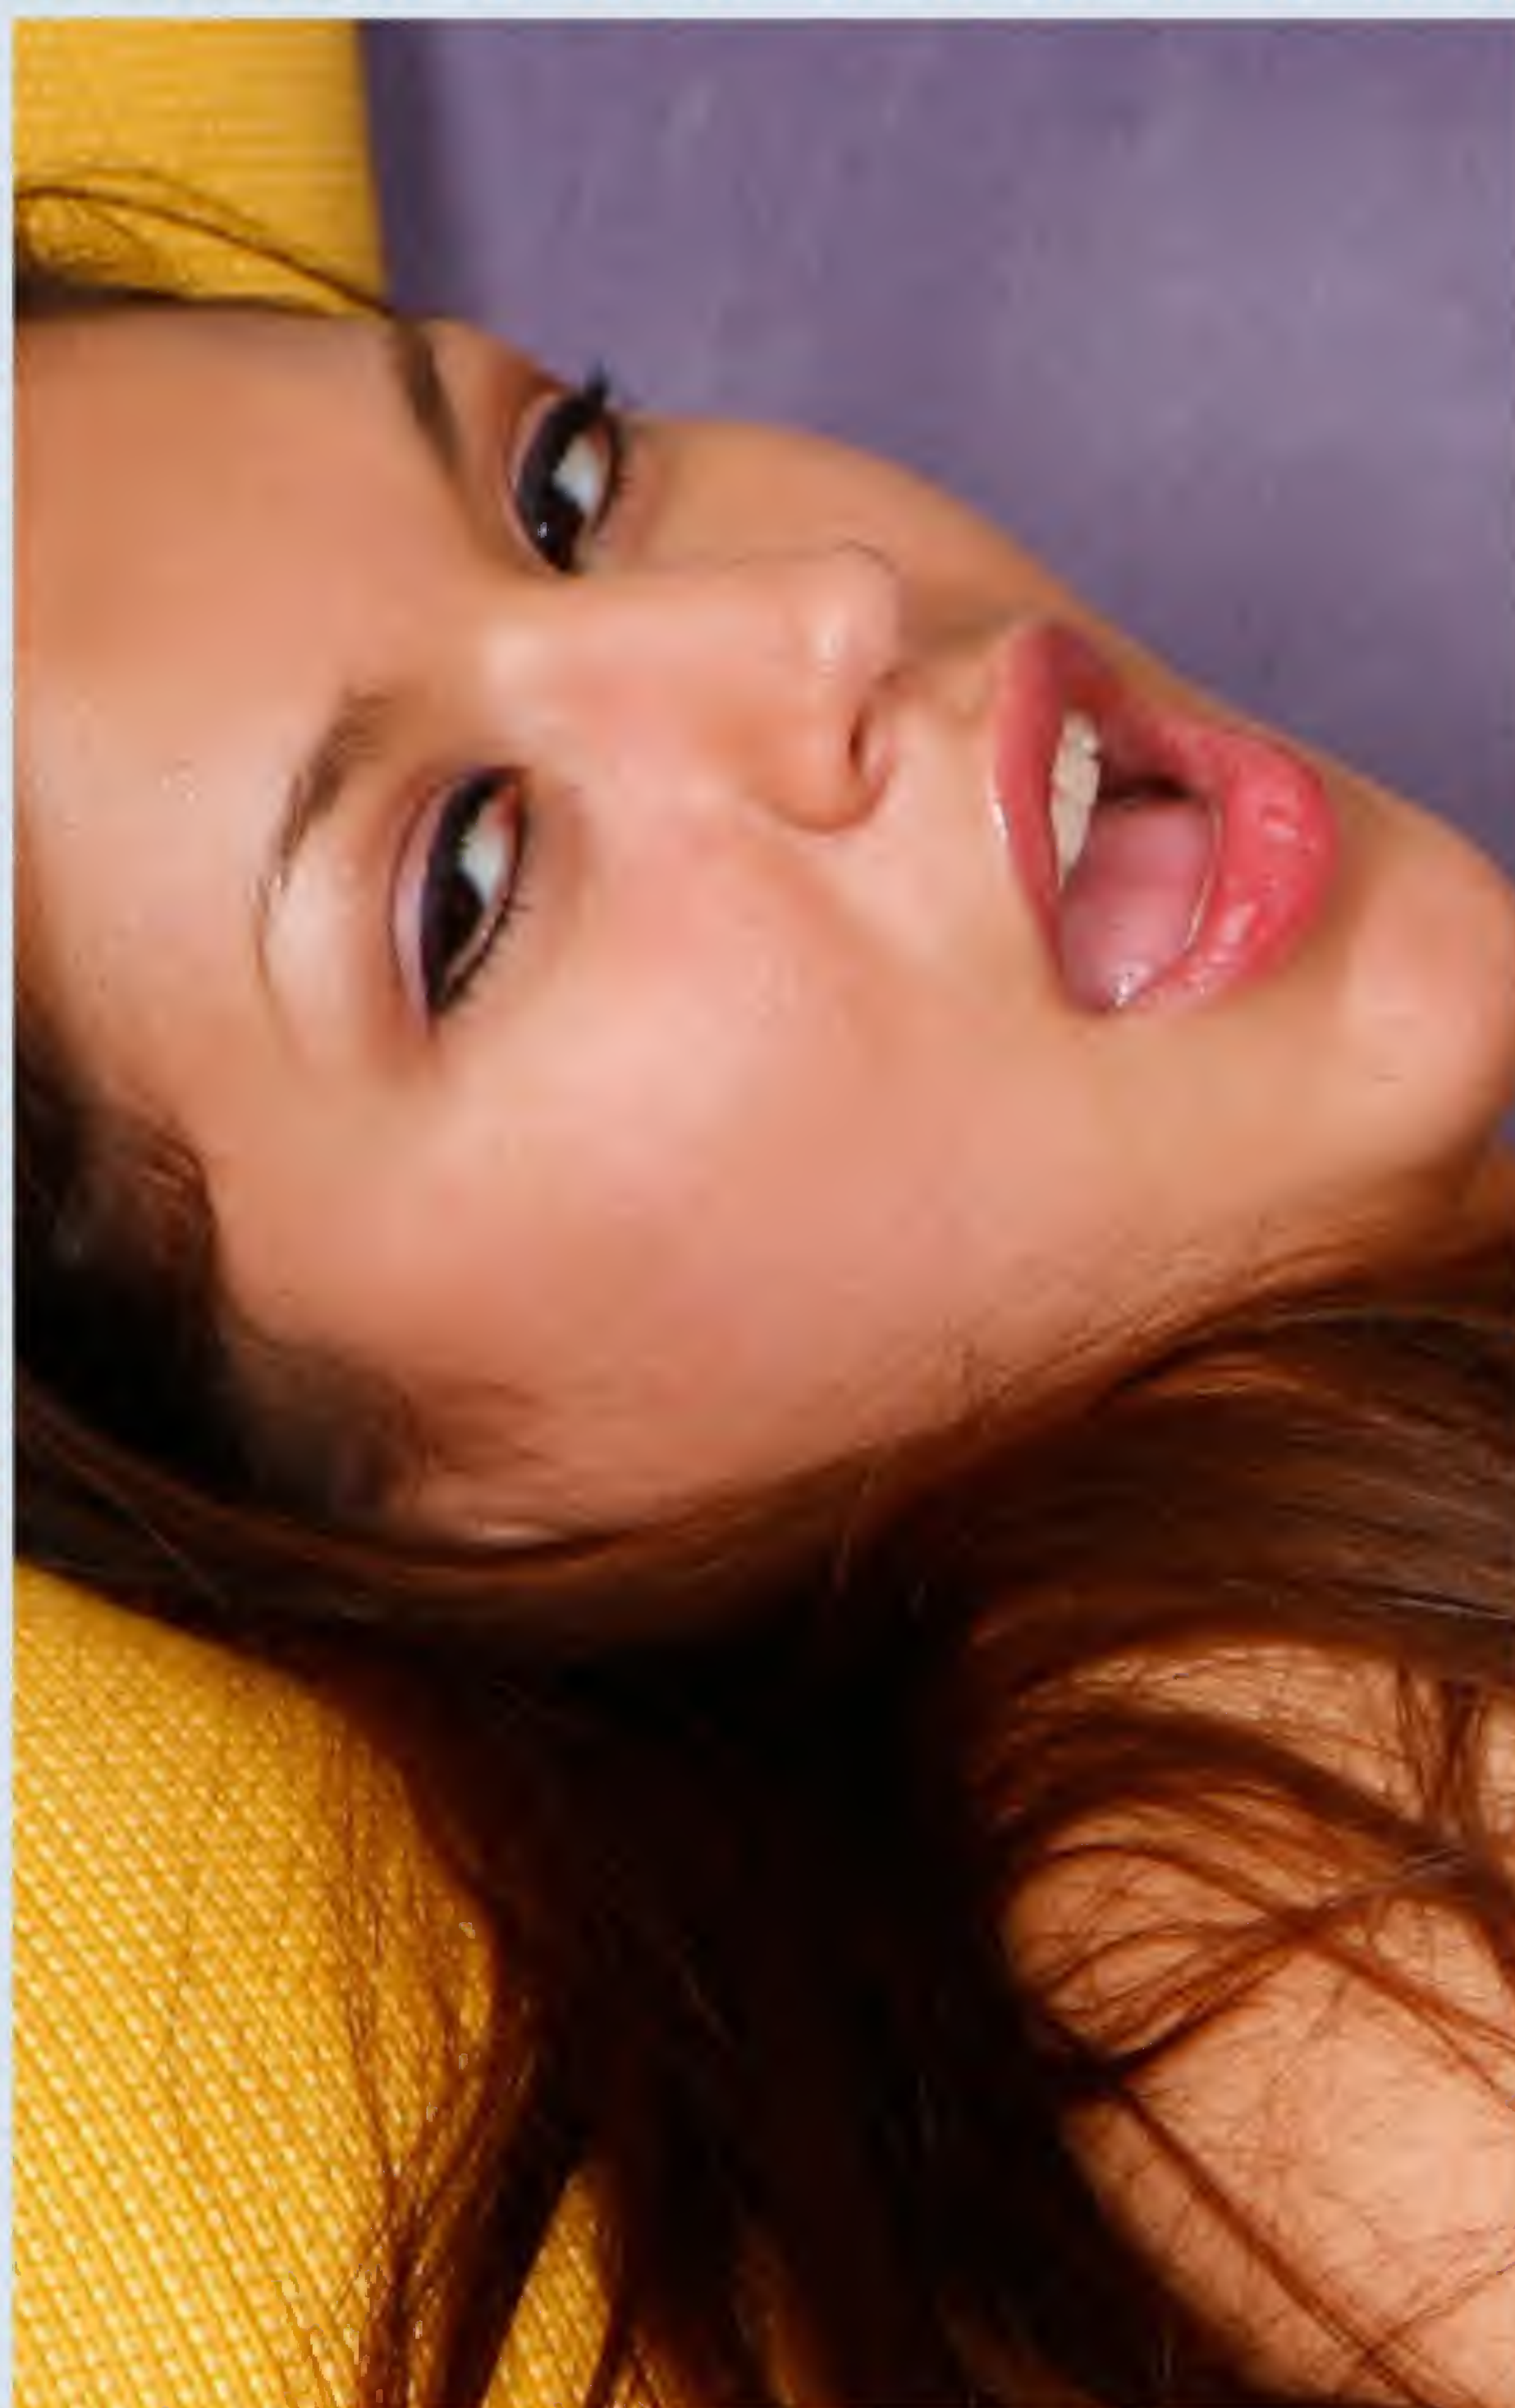

US: You've obviously been with several men in the business. How are you dealing with that?

Fox: I've discovered that I have the sexual veracity of the first Marine division. While I'm pretty quiet in my private love-making, on set they want me to scream, even when the guy isn't doing it for me. Since I'm so small and my pussy is small, big guys in the business are painful for me so I try to stay away from them. Or at least from them fucking my pussy. I'm more than happy to suck them and actually enjoy a big cock because I can lick and suck it like a lollipop rather than having to shove the whole thing down my throat.

US: Do you think you'll stay in the business? Where could you go from here?

Fox: The most important thing to me is giving a good scene or great dance. Even if it's a terrible, low-budget project with only one cameraman, or a dive club in the middle of Oklahoma, I want people to be able to say that I was good at what I did. I pride myself in the little bag of tricks I've acquired in these few years. And why not? I just want to be really good, and it takes hard work to get there.

We should all have such aspirations!

The bride's maids are waiting for the bride, but she just called and is going to be a couple hours late. Well that's not going to keep these three from having their own lady-love honeymoon. It's not long before tall tales of their own marriages give way to cat-like growls and kitty moans as pussies are opened for hot tongues and fingers. It's too bad the bride's not here because she then would be the center of attention. Go girls!

I just got home to find my lazy-ass roomie sitting on the sofa again. I've begged him to get off his ass and do something, meet someone, get laid sometime. Not this time, I thought of a way to get him out of the house, fuck him. Not a good idea? you may ask yourself. A perfect idea I tell myself. I see it like this... If I can get his sexual libido going a time or tow, he'll want to have sex. Then I tell him I can't fuck him any longer, so he's going to go out and look for nookie himself. He's gonna be so wound up after a week or so, that he'll be out at the bars, grocery stores and libraries trying to get into some poor girl's panties, and off of my god damn sofa!
